

Do you want to plan interdisciplinary projects with your colleagues?

Do you believe students learn best when they are known and cared for?

Do you have a passion for water and environmental issues?

Do you want to work on GOVERNORS ISLAND?!

IF YOU ANSWERED "YES" – FIND OUT MORE ABOUT

THE URBAN ASSEMBLY NEW YORK HARBOR SCHOOL

400 Irving Ave., 4th Floor, Brooklyn, NY 11237 (moving to Governors Island July 2010)

For the 2010-11 school year, we are recruiting for the following potential vacancies. All teaching candidates must possess NYS certification:

Special Education Paraprofessional
ELA teacher
Guidance Counselor
Social Worker

The Urban Assembly New York Harbor School has quickly established itself as one of the most exciting schools in the city for teachers and students. We use New York Harbor as an extra classroom through an interdisciplinary program that regularly puts students on the water. We are a College Preparatory Career and Technical Education (CTE) school, where students choose to specialize in Marine Science, Marine Policy or Marine Technology. Students and staff travel via ferry from lower Manhattan to our location on Governors Island. Our school has an extended day/year.

Please visit our website at www.newyorkharborschool.org to learn more about the school. Interested candidates should send a cover letter, resume, and statement of required certification under cover of a detailed letter to **Sharon Jacker**, at sjacker@schools.nyc.gov
